Independent Auditors' Report

To the Members of CultureLink Settlement Services of Metropolitan Toronto:

We have audited the accompanying financial statements of CultureLink Settlement Services of Metropolitan Toronto, which comprise the statement of financial position as at March 31, 2013, March 31, 2012 and April 1, 2011 and the statements of changes in net assets, operations and cash flows for the years ended March 31, 2013 and March 31, 2012 and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements

Status and Nature of Activities

The Corporation is dedicated to facilitating the independence and full participation of newcomers in Toronto's diverse community through enhancing skills, promoting positive interaction and understanding and promoting well being for all participants.

The Corporation is incorporated under the Ontario Corporations Act as a corporation without share capital.

The Corporation is a charitable organization within the meaning of the Income Tax Act.

Note 1 Significant Accounting Policies

Basis of Accounting

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Capital Assets

Capital assets are recorded at cost. Amortization is provided annually at rates calculated to write-off the assets over their estimated useful lives as follows:

Computer and computer equipment

- 2 years straight line

Furniture and fixtures

- 2 years straight line

Revenue Recognition

Revenue is recognized on an accrual basis. The organization follows the deferral method of accounting for contributions and grants.

Revenue from Productive Enterprises is recognized when service is rendered.

Donation revenue is recognized when received or receivable.

Financial Instruments

The Corporation initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions.

The Corporation subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in income.

Financial assets measured at amortized cost include cash, term deposits, accounts receivable and notes receivable.

Note 1 Significant Accounting Policies - continued

Financial liabilities measured at amortized cost include the bank overdraft, the bank loan, accounts payable, amounts due to members and long-term debt.

Use of Estimates

The preparation of financial statements in accordance with Canadian Generally Accepted Accounting Principles requires management to make assumptions about future events that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Note 2 Impact of the Change in the Basis of Accounting

The Corporation has elected to apply Canadian accounting standards for Not-for-Profit Organizations (NFPOs).

These financial statements are the first financial statements for which the Corporation has applied Canadian accounting standards for NFPOs.

The financial statements for the year ended March 31, 2013 were prepared in accordance with the accounting principles and provisions set out in the First-Time Adoption, Section 1501, for first-time adopters of this basis of accounting.

The application of adopting this new financial reporting framework had no impact on the previously reported financial position as at April 1, 2011 and March 31, 2012 or to previously reported surplus or net assets for the year ended March 31, 2012. Consequently, a reconciliation of previously reported surplus to surplus as reported using accounting standards for NFPOs was not prepared.

Note 3 Financial Instruments

Risk Management Policy

The Corporation is exposed to various risks through its financial instruments. The following analysis provides a measure of the risks at March 31, 2013.

Credit Risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a loss.

March 31, 2013

Note 3 Financial Instruments - continued

The Corporation is subject to concentrations of credit risk through its cash accounts. The Corporation maintains all of its cash at a single major Canadian financial institution. The maximum credit risk is equivalent to the carrying value.

Market Risk

Market risk is the risk of loss that may arise from changes in market factors such as interest rates, foreign exchange rates, and commodity and equity prices. These fluctuations may be significant. The methods and assumptions management uses when assessing market risks have not changed substantially from the prior period and are summarized below:

(i) Interest Rate Risk

The Corporation does not have any interest bearing investments.

(ii) Foreign Currency Risk

The Corporation's functional currency is the Canadian dollar. The Corporation does not engage in any activities in foreign currency and as a result it is the opinion of management that the Corporation is not exposed to significant foreign currency risk.

(iii) Commodity Price Risk

The Corporation is subject to normal price risk associated with consumer products.

Fair Value

The fair values of cash, accounts receivable and accounts payable are approximately equal to their carrying value due to their short term nature.

Note 5 Deferred Contributions Related to Capital Assets

Deferred contributions related to capital assets include the unamortized portion of the restricted contributions relating to the purchase of capital assets. The deferred contributions will be recognized as revenue on the same basis the capital assets are being amortized.

The changes in the deferred contributions balance for the period are as follows:

	 2013	2012
Beginning balance	\$ 3,466 \$	42,942
Contributions received during the year	39,032	0
Amounts recognized as revenue during the year	(3,466)	(39,476)
	 39,032	3,466

Note 6 Net Assets Invested in Capital Assets

Net assets invested in capital assets consist of the following:

	 2013	2012
Capital assets	\$ 39,032 \$	0
Deferred contributions related to capital assets	(39,032)	0
	0	0

Note 7 Rental Agreement

The Corporation entered into a 10-year lease with 690981 Ontario Limited to rent the 3rd floor of 2340 Dundas Street West. The terms of the contract are as follows:

<u>Term</u>	Amounts
April 1, 2010 - March 31, 2019	\$19,654 per month plus increases by the change in the Consumer Price Index from the preceding year plus taxes

Lease payments due in the next five years are approximately as follows:

2014	\$ 21,326
2015	21,753
2016	22,188
2017	22,632
2018	23,084

March 31, 2013

Note 8 Unrestricted Net Assets

Unrestricted net assets represent the excess of assets over liabilities. Generally, the balance of unrestricted net assets is an accumulation of all surpluses and deficits of current and all prior years since inception.
