

## Dream Big, Work Hard.

Great things come to those who wait, but better things come to those who work hard for them. From children preparing to sing at the Four Seasons Centre for the Performing Arts, to grown-ups finding starting their careers in Canada and following the steps needed to reach their goals. Our clients bring their desire to succeed, our job is to connect them with the resources that will help them see it through.

### One Week to Showtime

If you have tickets to the COC's Hansel and Gretel!, you might hear the Nai Children's Choir sing the Gingerbread Chorus. "The children are learning difficult music, but the Nai team still creates an enjoyable experience with added games and instruments".
